WHITEMAN AFB YOUTH PROGRAMS

WHETHER YOU ARE NEW TO THE AREA OR LEAVING US TO MEET NEW FRIENDS

Youth Sponsorship is an intricate part of Air Force Youth Programs no matter if you are abroad or state - side.

We hope that our newsletter and Youth Sponsorship form will help both incoming and out going youth with their new community.

Why is Youth Sponsorship important you ask?

It allows youth ages 5-18 to immediately have a point of contact and a knowledge of their new environment. Parents can have the satisfaction of knowing that their youth will continue to have a fun, safe and positive place to go after school or during school break.

YOUR COMMUNITY IN CENTRAL MO

Seventy miles southeast of Kansas City is a great place to be in the mid-west offering a variety of shopping experiences, tours, social events and developing new friendships.

As a new member of the community you can expect to be warmly greeted and immediately introduced to people on and off base.

We hope you enjoy your stay with us and become a Youth Sponsor for others who will come after you.

So take your time and enjoy the beginning of a whole new world.
